

Ramsay...see Gabbro Falls near Blackjack Ski Resort, drive halfway up the side road leading to trailside condos and listen for the waterfalls in the woods near the pipeline clearing...plan an afternoon at Indianhead Mountain Resort, or stay the night...they've got a wonderful 9 hole 3 par golf

course at the top of the ski hill, you'll enjoy the panoramic view and the rest that the resort has to offer this summer...not a golfer?...then Sunday Lake in Wakefield is the place to be...join others as they stroll around the entire lake on the lighted walking trail...or pull out a lounge chair along the beach and relax awhile...see the Wakefield Museum then stop in to see our friends at the Wakefield Chamber Visitors Center, great friendly folks filled with information and gifts.

TRIP SIX: Take a Hike! A great half day trip for the outdoorsy type person ... climb up Wolf Mountain (Forest Road 9300) located 5 miles East of Wakefield and one mile North of US 2, hiking is tricky on the steep dirt path, but you'll get an incredible panoramic view from the top, it's the highest elevation in Gogebic County (1,826 feet)...then cool down with a gentle hike through the woods and take great photos at Yondota Falls (County Road 523)...pack a lunch or reward yourself at Marenisco or Lake Gogebic for a meal...consider renting a pontoon boat for the afternoon and cruise the thirty two mile lakeshore yourself...if you find yourself totally tired rent a cottage from Lake Gogebic Vacation Homes, Mallard Cove and Teal Wing, great lake-side places (800) 876-9751.

TRIP SEVEN: Time Traveler! You'll enter another time zone and lose an hour on Eastern Standard Time by traveling outside the mining country of the Gogebic Range and into copper mining with a real mine tour... Adventure Mine (906) 883-3371... Shop for antiques and gifts in the quaint town of Ontonagon... Catch lunch there too...then tour the Ontonagon Museum & Lighthouse...then off to HWY 45 to Bond Falls Flowage which is a great place to swim, fish and relax if you find the time...then catch a few fireflies and let them fly inside the car for the ride home (kids love this one)...then head back to Ironwood for a restful night's sleep.

TRIP EIGHT: A Scenic drive! Pack the camera, hiking shoes and water toys... It's off to the Porkies...just past Wakefield take County Road 519 to Presque Isle Park, hike

around Presque Isle Park in the Porkies with two spectacular waterfalls, Manebezho and Manido Falls...view Lake of the Clouds...view Summit Peak, if you take your binoculars with you to the top of the lookout tower there, you can see big ships in the horizon...take in as many miles of the Porkies hiking trails as you can or enjoy the casual drive through the park...drive back through Silver City with it's great sand beaches and you might even spot a black bear...take the other route home, drive to Bergland then Ironwood.

TRIP NINE: Tour Hurley and beyond! Our Northwood's Neighbors in Iron County have Little Finland Gift Shop and Museum...hike into the hidden Peterson (Interstate) Falls...make your way onto famous Silver Street to the Hurley Iron County Museum to purchase a hand-

made rag rug, you could literally spend an entire day browsing the museums three floors, be sure to see the clock strike on the

hour...then stop at Giovanoni's for shopping. It's your mall without walls. Maybe stop for pizza at the Liberty Bell Chalet, stop by the Hurley Chamber and ask about the historic walking tours...spend the afternoon at Gile Flowage fishing...or tour the mining history in the Montreal Historic District...drive out to the last standing head frame of Plummer Mine...check out the trout at Weber Lake and see Whitecap Mountains.

TRIP TEN: Hit the Islands! A long day starts with a stop at Kimball Falls just a few miles past the Michigan Wisconsin line off US 2...try little horseback riding in Saxon at Berube's Riding Stables or The Ranch in Gurney...make your way to the Bad River Casino at Odanah Indian Reservation...stop in the Ashland Museum... we suggest a lunch or dinner at the Deep Water Grille in downtown Ashland or the elegant and impressive Hotel Chequamegon...tour the Great Lakes Visitor

Center just outside of Ashland on US 2 beyond the turnoff to Washburn... Not too tired? Big Rock Park in Washburn is a local favorite for fishing, hiking, scenery & photography...there are a nice selection of unique artisan shops in Washburn, have a fish taco on Wednesday night at Just in Thyme Restaurant. Tour Bayfield...take a Lighthouse boat
